

Class of 2021 – Brian Brault, EO Western New York, EMP Class of 2005

As CEO and owner of PURE Solutions North America, Brian Brault successfully led his company through intensive growth while launching a new industry.

Fast growth is not new to Brian, as this is the second company of his to be recognized by *Inc.* magazine's fastest growing companies. Brian was recognized as the 2008 Innovator of the Hospitality Industry by Cornell University. PURE was also awarded best new product; is one of the top private companies in western New York; was deemed one of the best companies to work for in western New York; and was awarded best entrepreneurial company in western New York.

Brian is one of three facilitators of the Entrepreneurial Masters Program (EMP) offered by the Entrepreneurs' Organization (EO). At EO, Brian was the Global Forum Committee Chairperson from 2008-2010, chaired EO's Business Education Subcommittee from 2010-2012, and he currently chairs the Global Learning Committee. He is also a certified Forum trainer and retreat facilitator.

A graduate of the University of Buffalo's School of Business, Brian is very active on community boards, and was featured in *Business First's* 40 under 40 list. He has three children between the ages of 18 and 23 and is happily married to his wife Jean.
